

## LEGAL ASSISTANT

Are you the kind of person who can pick up on little details in conversations with friends? You know, like those subtle cues that others might miss? Do you have a knack for anticipating the needs of those around you, just like Alfred did for Bruce Wayne? And hey, do you feel a sense of accomplishment when you finally fill in that last cell in a data table? Oh, and speaking of emotions, did you tear up a little when Shadow came running over the hill in Homeward Bound?

Final question: When faced with a challenge, do you lean in or retreat?

- If you thrive in a fast-paced environment, excel at finding hidden gems, possess fluency in both **English and Spanish**, and have a genuine ability to empathize with others (such as appreciating emo music exclusively on vinyl records), you could be the ideal candidate for our Legal Assistant position.
